

Kids' shoe size chart

How to use:

Print off measurement chart (please don't "fit to page" when you print as the measurements will be incorrect).

Place child's foot on line at bottom of page when they are standing up with their foot placed flat.

The line that touches their big toe is their shoe size.

Please measure both feet as children usually have one foot bigger than the other. Buy shoes that will fit their biggest foot.

Browse our gorgeous Kids Footwear range in your child's size at www.studio.co.uk

UK size	EU size	Foot length cm
Infant 4	20	11.7
Infant 5	21	12.6
